NCAA GYMNASTICS SCORING

THE SCORING SYSTEM - OVERVIEW

Men's college gymnastics elected to adopt the International Gymnastics Federation's (FIG) "Code of Points" as its new scoring system starting in 2008. Previously, the program had been using a modified version in the 2006 and 2007 seasons which still put a maximum value of 10 points on each routine. In the newly adopted system, a gymnast's final score is comprised of the sum of his Difficulty and Execution Scores. The scores for each routine are open-ended with most scores earning between 13-16 total points depending upon the apparatus.

DIFFICULTY SCORE

The Difficulty Score awards gymnasts points for the difficulty and technical content of a routine. One judge is on the D Panel and is responsible for crediting the athletes for connections (two high-level skills that are connected) and for completing element group requirements. The nine most difficult skills and dismount will account for the Difficulty Score. All skills have a set value and are categorized into six groups depending upon the difficulty aspects of the element. Connection values can be earned on floor, rings and high bar for an extra 0.1 or 0.2 points.

EXECUTION SCORE

The Execution Score is decided by a two to four person E Panel. Beginning with 10 points, deductions for errors, faults in execution and presentation will be made by all judges independently. The Execution Score is computed by taking a varied average of the E Panel marks. The range of deductions are from 0.1 point for a small error and 1.0 point for a fall.

NEW SCORING SYSTEM

The NCAA changed its men's gymnastics scoring system in 2013. Instead of the previous system in which six gymnasts competed with four scores counting toward the team total, the new system features a format in which five gymnasts compete with all five scores counting toward the team's final score. In making this change, the NCAA ensured that a greater emphasis is placed on team depth as any errors are now magnified. The new format also allows for collegiate gymnastics to be more similar to international gymnastics in scoring.

RUSTAM SHARIPOV

HEAD COACH
KHARKOV, UKRAINE
FIFTH SEASON

Rustam Sharipov (roos-TOM SHARE-ee-pahv) was named the head coach of the Ohio State men's gymnastics team in the summer of 2011. Sharipov, previously an assistant coach at the University of Oklahoma from 2005-11, brings the experience of three Olympic medals, including two gold, to Columbus as the eighth head coach in program history.

Last season, Sharipov led the Buckeyes back to the top. He was named the 2016 Big Ten Coach of the Year and helped guide Ohio State to its first Big Ten title since 2007. The Scarlet and Gray also set five school records in 2016: all-around (447.700), rings (76.050), high bar (75.750), vault (75.450) and parallel bars (75.150). Senior Alex Johnson went out on top becoming the first Buckeye since Ronald Ferris (2005) to win a national title on the high bar; Ohio State, as a team, registered a third-place finish at the 2016 NCAA Championships, its best finish since 2005 as well. In addition, Sean Melton was named the Big Ten Gymnast of the Year, and Alec Yoder won Big Ten Freshmen of the Year accolades.

In 2015, Ohio State was named the preseason favorite in the Big Ten and ranked No. 3 in the nation prior to losing its Top 3 gymnasts to injury. The Buckeyes would go on to finish fifth at the Big Ten championships and NCAA Qualifier, with Drew Moling (rings) and Alex Johnson (high bar) earning All-America honors. Johnson also won his first career Big Ten title on high bar.

The 2014 CGA Central Regional Coach of the Year, Sharipov led the Buckeyes to fifth-place finish at the NCAA championships and a second-place finish at the Big Ten championships during the 2014 season. Sharipov helped Sean Melton to four All-American awards, Big Ten freshman of the year honors and Big Ten individual championships on high bar and parallel bars. Jake Martin was a two-event All-American and Big Ten champion on vault, while Jeff Treleven earned his third All-American honor on vault and Johnson his first All-American award on high bar.

Throughout the 2014 season, Sharipov coached the Buckeyes to a program-record team score of 446.150, (the sixth-highest score all-time) in a Senior Day upset win over No. 1 Oklahoma in addition to new team program records on all six events and new individual program records on four events (pommel horse, vault, parallel bars and high bar).

In 2013, Sharipov guided Michael Newburger to the 2013 NCAA Championship on pommel horse. The Austin, Texas, native scored a 15.450 to become only the second gymnast in program history to win a national title on pommel. In addition to Newburger, Sharipov coached Danny Steiner and Treleven to All-America honors on floor exercise and vault, respectively, at the 2013 NCAA Individual Event Finals.

Ohio State placed fourth overall at the 2013 Big Ten Championships, one place higher than the previous season. Under Sharipov's guidance, Steiner placed second overall on floor exercise, earning Second Team All-Big Ten honors for his performance.

Sharipov led the Buckeyes to a record-setting season in 2012, as five members of the team (Ty Echard, Misha Koudinov, Kris Done, Newburger and Steiner) earned All-America status at the 2012 NCAA Individual Event Finals, tying the season program record with the 1993 and 2002 campaigns, respectively.

Sharipov coached Echard, a 2012 Nissen-Ernery Award finalist, to a share of the Big Ten pommel horse title and subsequent First Team All-Big Ten honors. He also guided Koudinov to a third-place tie on floor exercise and a second-place finish on parallel bars at the Big Ten championships.

A native of Kharkov, Ukraine, Sharipov was named 2006 National Co-Assistant Coach of the Year, helping the Sooners claim the NCAA championship that year. In 2008, Sharipov helped guide the team to a second national title and was named co-assistant coach of the year for the second time in his career. In 2011, he was named the CGA West Region assistant coach of the year, leading the Sooners to an NCAA runner-up finish in the team finals.

After retiring from competitive gymnastics in 2000, Sharipov moved to the United States and began his coaching career at the Bart Conner Gymnastics Academy in Norman, Okla. After one year, Sharipov accepted a coaching position at the Houston Gymnastics Academy where he worked with some of the top gymnasts in the nation, including U.S. national team members Sean Townsend and Todd Thornton. In 2004, he was the head coach for the U.S. team that won the gold medal at the Junior Pacific Alliance Competition and in 2002 was the coach of the U.S. team that took gold at the Junior Pan American Games.

As a gymnast, Sharipov began his competitive career as the Soviet junior national champion in 1989 before bringing home the all-around championship at the 1990 U.S. Olympic Cup. Sharipov helped the Unified Team to an Olympic gold medal at the 1992 Barcelona Olympics. He put on a show at the 1992 European Championships, winning high bar and taking second on parallel bars. Sharipov also took first on parallel bars at the CIS championships and the DTB Cup, and added a high bar championship at the Tokyo Cup.

In 1993 Sharipov continued his success, taking first in the all-around at both the Nikon International and the International Championships of Romania, along with a third-place finish in the event at the European Cup. At the 1994 World Championships, Sharipov was a member of the third-place team and was the runner-up on parallel bars.

In 1995, after winning championships on parallel bars at the French International and the Cottbus International along with an all-around title at the International Championships of Romania, Sharipov had an impressive showing at the European Cup, winning gold on high bar and parallel bars. He followed that up in 1996 with perhaps the best year of his career, taking first on parallel bars at the European championships before adding a gold medal on the same apparatus at the World championships.

The crowning moment of Sharipov's athletic career came at the 1996 Olympic Games in Atlanta, where he won the gold medal on parallel bars and was a member of the bronze-medal Ukrainian team.

A 1997 graduate of Kharkov State in Ukraine, Sharipov was awarded the title of Master of Sport in 1992. The honor represents the highest athletic level one can reach in the former Soviet Union.

Sharipov and his wife, Amber, have four daughters: Ksenia, Maya, Isabella, and Lilia; and one son, Raistlin.

2016 MEET RESULTS

JOHNSON WINS NATIONAL TITLE ON HIGH BAR, BUCKEYES FINISH 3RD AT NCAAS APRIL 17, 2016 - COLUMBUS, OHIO

Senior captain Alex Johnson won a national title on high bar, six athletes earned All-America honors and Ohio State finished third as a team at the 2016 NCAA Men's Gymnastics Championships Saturday night at St. John Arena, the best finish for the Buckeyes at the NCAA finals since 2005.

A crowd of 3,592 witnessed Johnson, a native of Marysville, Ohio, win his first career national title on the final routine of his college career, a season-best performance and score of 15.200 that tied him at the top of the podium with Akash Modi of Stanford. Johnson is the first individual national champion for the Buckeyes since Michael Newburger (pommel horse) in 2013 and the first on high bar since Ron Ferris in 2005. Johnson leaves OSU a three-time All-American.

"It's honestly a dream come true," Johnson said of his national title. "I'm from the Columbus area so growing up this is what I dreamed of – my senior year, to finish at home at St. John Arena and to be able to finish the way I did, it's a dream come true and I'm at a total loss for words."

Led by Johnson, six different Buckeyes were named All-Americans, the most at an NCAA championship in school history. No. 3 Ohio State (27-6 overall) closed the national championship with a team score of 433.150, finishing a point behind runner-up and second-ranked Stanford. No. 1 Oklahoma won its second-consecutive national title with a team score of 443.400.

The Buckeyes came out of the gate strong with scores of 73.450 on rings and 73.900 on vault, surging to second place overall. A 69.850 on parallel bars dropped OSU to fourth, but the team rebounded with scores of 72.550 on high bar, 71.850 on floor exercise and 71.450 on pommel horse to capture the third-place trophy.

"Before the competition started, I told our guys I didn't care where we finished – all I cared [about] was that we do our best," Ohio State head coach Rustam Sharipov said. "It was a rough meet. We had an injury to Sean [Melton] on the vault, but we picked up on the p-bars, high bar was even better and the guys never gave up, so that is what it's all about."

Freshman Alec Yoder from Indianapolis won three All-America awards at his first NCAA championship meet, highlighted by a runner-up finish on pommel horse with a score of 15.300. He added a seventh-place finish on rings (15.050) on his way to a fifth-place performance in the all-around with a score of 88.050, finishing a single point behind all-around champion Yul Moldauer of Oklahoma.

Redshirt sophomore Sean Melton collected two All-America honors at his second NCAA championship, bringing his career total at Ohio State to six. The Orlando, Fla., native was fourth on high bar (14.950) and fifth on rings (15.150). Initially entered in the all-around, Melton was a scratch on floor exercise following an injury on vault in the third rotation.

Two Buckeyes earned their first career All-America awards with Top-8 finishes on vault. Sophomore Seth Delbridge from Floyds Knob, Ind., used a career-best score of 15.350 to earn runner-up honors, while sophomore Alex Wilson of Sugar Land, Texas, tied for seventh with a 15.100.

Senior captain Emeric Quade from Tucson, Ariz., also collected his first career All-America accolade in his final career meet, finishing fourth on floor exercise with a score of 14.800.

NO. 3 BUCKEYES ADVANCE TO NCAA CHAMPIONSHIP APRIL 15, 2016 - COLUMBUS, OHIO

The third-ranked Ohio State men's gymnastics team advance to the 2016 NCAA Championships with a second-place finish at the NCAA Qualifier Saturday evening at historic St. John Arena. The Buckeyes will compete for their first national title since 2001 tomorrow at 7 p.m. on their home floor.

No. 2 Stanford won the evening qualifying session with team score of 434.350, followed by the Buckeyes, who totaled 433.400. No. 6 Illinois also qualified for tomorrow's team finals with a score of 432.050. Those three teams – along with No. 1 Oklahoma, No. 5 Minnesota and No. 8 Penn State, the Top-3 teams from the first session of the day – will vie for the national title.

"I saw a lot of good things tonight, but I also saw some things that were very uncharacteristic, and it's not going to fly tomorrow," head coach Rustam Sharipov said after the meet. "We have to bring our 'A' game tomorrow. We only had two sticks, which against teams like Stanford and Oklahoma is not going to get it done."

"I'm very proud of all we've done this year, but in order for us to compete and contend for the national championship, we have to be better."

Ohio State finished second as a team on all six events, with its top score coming on vault, a 74.500 total that ranks fourth in the Ohio State record book.

Sean Melton, a redshirt sophomore from Orlando, Fla., posted the top score of the evening for the Buckeyes on three events: parallel bars (15.350), rings (15.200) and floor exercise (14.650). He was first overall in the evening session on both p bars and rings and finished fifth on floor. He will compete in the all-around tomorrow night for the Scarlet and Gray.

Freshman Alec Yoder from Indianapolis tied for first on pommel horse with a score of 15.400, joining 2015 NCAA all-around champion Akash Modi of Stanford at the top of the leaderboard. Yoder also turned in a Top-10 finish on high bar for the Buckeyes, placing ninth overall with a score of 14.400. He will join Melton in the all-around competition Saturday.

Senior captain Alex Johnson used a season-best score of 15.100 to finish first overall on high bar. Sophomore Seth Delbridge continued his rise on vault, scoring a 15.300 to lead the Buckeyes and finish tied for third overall.

BIG TEN INDIVIDUAL EVENT FINALS APRIL 2, 2016 - COLUMBUS, OHIO

One day removed from winning its first conference title since 2007, the third-ranked Ohio State men's gymnastics team put an exclamation point on its Big Ten championship weekend Saturday night, sweeping the Big Ten's season-end awards and collecting three event titles at the 2016 Big Ten Event Finals inside St. John Arena.

Redshirt sophomore and Big Ten all-around champion Sean Melton led the Scarlet and Gray barrage, winning gold medals on parallel bars and floor exercise while collecting a silver medal on rings on his way to Big Ten Gymnast of the Year honors. Melton became the sixth Buckeye to win the conference's top award and the first since Randy Monahan in 2004.

Melton, a native of Orlando, Fla., was simply spectacular for the Buckeyes. He set an NCAA record dating back to the 2012 season on parallel bars – a near-flawless score of 16.175 – and tied a personal-best score of 15.450 to secure the title on floor. He added a 15.100 on rings, falling just shy of the winning total of 15.125, and was eighth on high bar with a 13.900. All of this to go along with his winning all-around total of 89.750 from team finals on Friday.

Alec Yoder, a native of Indianapolis, was outstanding in his conference debut for Ohio State, earning Big Ten Freshman of the Year honors, the second Buckeye in the last three years to do so after Melton collected the award in 2014. Yoder was victorious on pommel horse with a score of 15.225 and added a fourth-place showing on high bar (14.475) and seventh-place performance on rings (14.700). The freshman sensation was runner-up in the all-around Friday night with a score of 87.550.

Sophomore Seth Delbridge (15.325) and senior Alex Johnson (14.550) added silver medals for the Buckeyes on vault and high bar, respectively, as Ohio State earned either gold or silver in all six events, along with the all-around competition. Delbridge's performance was a personal best, while Johnson quite literally finished a step behind the winning total of 14.575.

The historic performance by the Buckeyes that began with a winning team score of 434.450 on Friday earned head coach Rustam Sharipov Big Ten Coach of the Years accolades. Now in his fifth season at Ohio State, Sharipov is the fourth Buckeye head coach to earn Big Ten Coach of the Year honors and the first since Miles Avery in 2007.

"I'm incredibly proud of this team," Sharipov said after the championships. "We handled all of the challenges the meet threw at us this weekend and had a great showing in front of our family, friends and fans. The medals and awards our guys earned are a testament to their hard work."

"We'll take a day to celebrate this achievement, and then it's back to the gym as we focus on our main goal – the NCAA championship."

Senior Emeric Quade and freshman Tristan Burke also represented Ohio State in team finals Saturday night. Quade was fifth on floor exercise (14.825) while Burke placed 10th on rings (14.200).

2016 MEET RESULTS

VS. MICHIGAN JAN. 30, 2016 - ANN ARBOR, MICH.

The third-ranked Ohio State men's gymnastics team defeated rival Michigan 434.900-424.100 in a dual meet Saturday afternoon at Cliff Keen Arena, the first head-to-head win for the Buckeyes over the Wolverines since 2007 and second overall this season.

THE SHORT STORY

Ohio State earned a convincing win over the ninth-ranked Wolverines, winning five of six events. The Buckeyes set a school record on vault with a 75.450 team total – the No. 2 team score in the nation this season – and a season high of 73.450 on parallel bars, the No. 3 score in the NCAA and fifth-best team score in school history.

Individually, the Buckeyes were led by redshirt sophomore Sean Melton, who won the all-around competition with a score of 87.650. Freshman Alec Yoder was the all-around runner-up with a score of 87.450, while freshman Tristan Burke was fourth (86.000).

"I'm really proud of the team," head coach Rustam Sharipov said. "We overcame a rough start and some unexpected in-meet adjustments and still came away with a great win. We performed really well on vault and parallel bars, and it was a big accomplishment to have three individuals represented in the all-around competition."

"There is still a lot of work to do, but we are encouraged moving forward. We move into a well-deserved open week prior to hosting Penn State in our home opener."

BTN will air the meet on tape delay Sunday, Jan. 31, at 10 a.m. ET.

TOP PERFORMERS

Melton – A native of Orlando, Fla., Melton's all-around score of 87.650 ranks fourth nationally this season. He finished first on rings (15.000) and equaled his season-best score of 15.350 on vault, finishing second overall. The score of 15.350 on vault ranks third in the NCAA in 2016.

Yoder – A native of Indianapolis, Ind., Yoder's all-around total of 87.450 ranks fifth nationally this year. He won two events, scoring season bests on pommel horse (15.350) and parallel bars (15.050). The 15.350 score on pommel ranks fourth in the NCAA this season.

Burke – Along with his fourth-place finish in the all-around, Burke was the individual champion on vault with a score of 15.450 – the No. 1 score in the nation – and a runner-up on floor.

Andrew Rickly – The junior from Lewis Center, Ohio, was the top finisher for Ohio State on high bar (second, 15.000) and seventh on parallel bars (14.500).

FINAL STANDINGS

- 1) No. 3 Ohio State – 434.900
- 2) No. 9 Michigan – 424.100

VS. STANFORD, CALIFORNIA JAN. 24, 2016 - BERKELEY, CALIF.

The fourth-ranked Ohio State men's gymnastics team used a season-high team score of 435.550 to finish second overall in a tri-meet with No. 2 Stanford and No. 5 California Sunday afternoon at Haas Pavilion in Berkeley, Calif.

THE SHORT STORY

Ohio State, competing without reigning Big Ten Gymnast of the Week Sean Melton, nevertheless improved its total team score from last Sunday's season opener by nearly 10 points. No. 2 Stanford won the meet with a score of 445.550, the second-highest total in the nation this season, followed by the Buckeyes and Golden Bears (425.300).

OSU earned its highest team scores of the season on all six events, clearing the 71-point mark on each apparatus. Ohio State posted the highest team score of the day on rings, a 73.800 score that is fourth-best in the nation so far this season. The Scarlet and Gray placed five athletes in the Top 10 of the event, led by individual champ Alec Yoder.

"I'm really proud of the team," head coach Rustam Sharipov said after the meet. "We did a great job making adjustments from last weekend and finished with an 86 percent hit percentage. The results speak for themselves."

"We're certainly not satisfied and have some small things to work on as we head into a short week of practice. We need to continue to improve each day as we look forward to facing our rivals on Saturday."

TOP PERFORMERS

Yoder – The freshman from Indianapolis was a winner on rings (15.150) and runner-up on pommel horse (15.250). He also finished in the Top 10 on floor with a seventh-place score of 14.750. His scores on both pommel and rings rank sixth in the nation this season.

Tristan Burke – Burke, the Big Ten Freshman of the Week, posted the top score for the Buckeyes on floor, a collegiate-best total of 14.950. He also placed in the Top 10 on vault (sixth, 14.550) and rings (eighth, 14.500).

Alexander Wilson – Wilson, a sophomore from Sugar Land, Texas, was the top performer for Ohio State on vault (third, 15.050) and parallel bars (fifth, 14.600).

Seth Delbridge – The sophomore from Floyds Knobs, Ind., was solid in his season debut, leading the Buckeyes on high bar (fourth, 14.850) and finishing ninth on parallel bars with a score of 14.450.

Cody Teaney – The redshirt sophomore from St. Petersburg, Fla., finished third overall on rings with a personal-best score of 15.050.

FINAL STANDINGS

- 1) No. 2 Stanford – 445.550
- 2) No. 4 Ohio State – 435.550
- 3) No. 5 California – 425.300

AT WINDY CITY INVITATIONAL JAN. 17, 2016 - CHICAGO

Led by an all-around title by freshman Tristan Burke and three first-place finishes from redshirt sophomore Sean Melton, the No. 2-ranked Ohio State men's gymnastics team finished second at the 46th-annual Windy City Invitational Sunday at the UIC Pavilion in Chicago.

THE SHORT STORY

All six teams showed some rust at the annual Chicago showdown, with low scores across the board on a number of events. Ohio State dug itself a hole early, falling to fourth place after three rotations after errors on pommel horse and floor. The Buckeyes turned the tide in the fourth rotation, however, posting the top overall team score on rings (72.750) before closing strong on vault (72.950) and parallel bars (top team score of 71.000).

No. 4 Illinois captured the team title with a score of 425.950, just ahead of the Buckeyes' total of 425.700. No. 8 Minnesota led for the majority of the meet, but faltered late on pommel horse, finishing with a score of 424.500.

"We came up a bit short today, but I'm proud of how the guys continued to fight throughout the competition," head coach Rustam Sharipov said after the meet. "We had a really rough start to the meet, making some uncharacteristic mistakes on pommel horse, but we picked things up and closed well on our final three events. We're certainly not satisfied with the performance, but there is a lot we can build on as we head to California next weekend."

TOP PERFORMERS

Burke – The Roysse City, Texas, native was the all-around champion in his college debut with a score of 86.000, defeating 2015 Big Ten Gymnast of the Year Bobby Baker. Burke posted the top team score on floor (14.850) and was one of two Buckeyes to post a 15.000 or higher on vault. Burke became the first Buckeye to win the Windy City all-around title since Randy Monahan in 2004. His all-around score ranks eighth in the nation so far this season.

Melton – A redshirt sophomore from Orlando, Fla., Melton finished first overall on three events: rings (15.450), vault (15.350) and parallel bars (15.100). His scores on rings and vault were personal bests, and both rank second in the NCAA so far this year. His parallel bar total is No. 4 nationally.

FINAL STANDINGS

- 1) No. 4 Illinois – 425.950
- 2) No. 2 Ohio State – 425.700
- 3) No. 8 Minnesota – 424.500
- 4) No. 9 Iowa – 419.650
- 5) No. 5 Michigan – 413.700
- 6) No. 17 UIC – 378.450

THE NISSEN-EMERY AWARD

THE NISSEN-EMERY AWARD

Each year, the prestigious Nissen-Emery Award is presented to the outstanding senior male collegiate gymnast in the nation. Michigan's Sam Mikulak was the recipient last season.

In addition to gymnastics excellence, the winner also must fulfill the following requirements:

- He must be an example of good sportsmanship and fair play - a champion in defeat as well as in victory.
- He must maintain a high standard of scholarship throughout his college career.

College gymnastics coaches, student-athletes and accredited college gymnastics judges across the nation are requested to submit nominations. Gymnasts receiving the highest number of nominations are placed on a final ballot and voted upon by those same coaches, student-athletes and judges.

GEORGE NISSEN

The award is named after George Nissen, a world class athlete and inventor, who was a three-time national tumbling champion from 1935-37.

Nissen is most widely recognized for his invention of the trampoline, which was used for recreational purposes at schools across the country in the 40's and also was used to train and condition Navy pilots during World War II.

Following the war, Nissen started the Nissen Trampoline Co., which eventually became Nissen Corp., the world's largest supplier of gymnastics equipment.

He is the honorary President of the International Federation of Trampolining and in 1993, was elected Vice President of the International Federation of Sports Acrobatics.

He was the founder of the Nissen Cup in Switzerland and the recipient of the Distinguished Service Award of the President's Council on Fitness and Sports.

At age 70, he founded Nissen Sports Academy, which continues to develop new fitness products. He is the owner of more than 30 patents in the field of sports and fitness.

Nissen has received numerous awards throughout his life, and the 91-year-old competitor was the 2000 honoree for the Senior Fitness Award from the California Governor's Council on Physical Fitness and Sports.

ROBERT EMERY

In 1998 Dr. Robert W. Emery, the 1969 winner, agreed to help the College Gymnastics Association (CGA) finance the redesigning of the award and establish an endowment that would indefinitely cover the annual expenses associated with it.
